

Packanack Field Day 2016

Dear Packanack Parents/Guardians:

Packanack's Field Day is scheduled for **Friday, May 20THⁿ**. Mrs. Collins has organized a day of fun filled activities for the students. The theme this year is **"TOO FIT TO QUIT"**.

Field Day will start at 9:15am with an outdoor opening ceremony on the baseball field. The teachers will be running the different events throughout the day. Field Day will run until approximately 3:00pm depending on weather conditions. In any case, dismissal remains at 3:20pm. There will be a PTO sponsored lunch of a hot dog or a hamburger, chips, ice pops, watermelon and plenty of water. ***If your child has a dietary restriction, or would like to eat something else, please send them to school with their own lunch.***

Please Note: Each child should bring a beach towel and they should wear the grade-level color t-shirts that will be provided for them. It is also advisable for you to apply sun block in the morning and have your child wear a brimmed cap. Be sure your child is hydrated when they come to school. Finally, please do not bring face paint or colored hair spray to school on this day. It will be confiscated and returned at the end of the day. Thank you for your cooperation. We expect the day to be fun-filled and safe for all the children.

Mr. Rogalin

Principal, Packanack Elementary School
